Bob Smith Repeats Porter Cup Win Scores 4-Shot Victory

Bob E. Smith and 1967 NFCC
President Bruno Scrufari

Smooth-swinging Bob E. Smith became the first and only golfer in the nine-year history of the Porter Cup to win back-to-back Championships.

The NCAA Small College Champion, a senior at Sacramento State, broke away from Hal Underwood on the final nine holes despite a balky putter. His 4-under-par 276 for the 72-holes equaled his winning performance in 1966.

Smith joined Porter Cup favorites John Konsek and Ward Wettlaufer as two-time winners of the tournament that now rates as one of the five top simon pure classics in the country.

With the victory, Smith added to an impressive record which also includes the 1965 Western Amateur title and 1967 California State Amateur Championship.
