

33rd Porter Cup July 24 - 27, 1991

Niagara Gazette Sunday, July 28, 1991

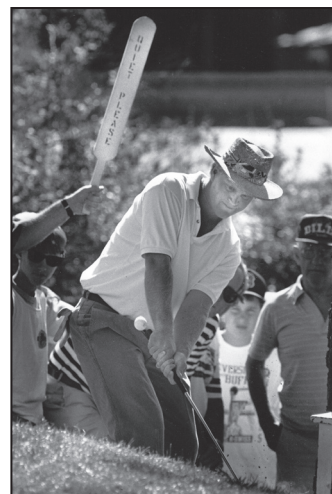

Nicklaus birdies his way to 1-over-par victory

With a little advice from his father and a little help from his opponents, Gary Nicklaus made off with the victory in the 33rd Porter Cup at NFCC.

The 22-year old Nicklaus, playing in his fifth Porter Cup, shot a 2-under par 68 and lent some credibility to the tournament's final round with five birdies on the back nine where he shot a 31. He finished at 1-over par 281, the highest score for a Champion since Gary Cowan shot 281 in 1969.

Up until Nicklaus' birdie barrage, which included a string at 15, 16 and 17, no one could mount a charge. One by one - Mike Sposa, Bill Brown, Buddy Alexander and Bob May - had opportunities to take control and came away as short as some of their putts.

"I talked to my dad last night," Nicklaus said. "He told me to eat a lot on the golf course because it makes it easier to finish with food in your stomach. I had a couple of bananas at the turn and kept full of water."

After his ball came to rest next to a tree behind the 14th green, Nicklaus was forced to hit a left-handed chip shot with an upside-down wedge
