75	James Kemp, Pensacola, FL	81-82-78-77-318	+38

## Levin outlasts Jeff Overton for one-stroke victory

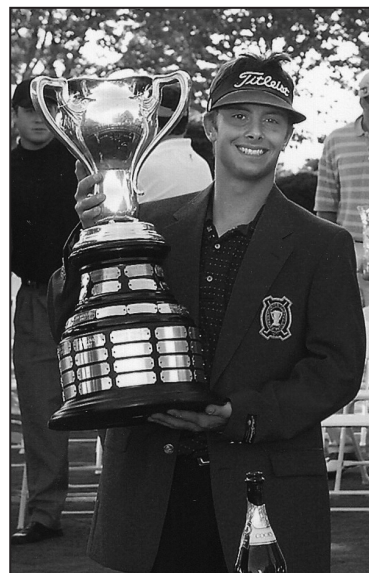

The notorious finishing holes at NFCC had their way with Spencer Levin in the final round of the Porter Cup. The 16<sup>th</sup>, 17<sup>th</sup> and 18<sup>th</sup> holes traditionally have been a true test of a champion, and those who succumb to them do not get to wear the champion's blazer or sip champagne from the big silver cup.

Until now.

Levin, a 20-year old from Rancho Murieta, CA, bogeyed the final three holes and lived to tell about it. He shot a final round 74 and it was just good enough to hold off Indiana University senior Jeff Overton for a one-stroke victory.

*Levin's last day score of 74 tied the mark for highest final round by a Porter Cup Champ (Konsek '59, Harvey '63)*

*Spencer Levin continued a magical summer with his triumph in the Porter Cup*

"I didn't have my game today," Levin said. "I was really grinding hard. I wasn't driving it well and I wasn't putting well. Somehow I got it done and that's all that matters."

The Porter Cup Championship was another in a line of stellar performances for Levin. Earlier in the summer, he won the California State Amateur at Pebble Beach, the Scratch Players Championship and finished 13<sup>th</sup> in the U.S. Open.

**CHIP SHOT...** Since Billy Hurley graduated from the Naval Academy in 2004, he was selected as a member of the U.S. Walker Cup Team, served as a combat electronic division officer aboard the guided missile cruiser 'Gettysburg' and taught Economics 101 at the Academy.
