COOL, CALM AND A CHAMPION: WERENSKI CAPTURES PORTER CUP

Ga. Tech junior caps nearly flawless show with final round 68

Welcome Richy Werenski to the list of elite amateur golfers in the country.

The laid-back 20-year-old's spot was reserved after 72 magnificent holes this week at the 54th Porter Cup at NFCC.

Werenski's winning total of 17-under 263 gave him a two-shot victory over Denny McCarthy of the University of Virginia. His score is the second best in tournament history, trailing just the record 22-under shot by current PGA Tour member Brian Harman in 2007. Incredibly, Werenski had just one bogey over four rounds.

Werenski, a native of South Hadley, MA, took a conservative approach to his final round after coming into the day with a four-shot lead. "I didn't hit too many bad shots and when I did I played smart and got out of trouble and tried to save my par," he said.

NFCC President Michael Vitch presents the Porter Cup to Richy Werenski

Defending champion Patrick Rodgers finished third, four strokes back.
